After receiving a report indicating the defendant had contact with Salt Lake City Police Department on August 16, 2021, at about 2215 hours, this officer contacted the defendant and inquired as to her whereabouts at that time. The defendant admitted she had been at a friend's house drinking alcohol to excess outside her directed curfew. The defendant was admonished and agreed to discuss this with her therapist. The defendant also indicated she would start attending Alcoholics and Narcotics Anonymous classes in order to garner more sober support.

This officer requested the police report from Salt Lake City Police Department. If additional details are discovered regarding further noncompliance, this officer will notify the Court in the form of a petition. In the meantime, the above actions seem to address the issues at hand; however, the defendant was told further noncompliance would result in a formal petition being sent to the Court.

If the Court desires more information or another course of action, please contact me at 801-680-1566.

Respectfully submitted,

By
